Inpatient Dialysis

Now Available at MediLodge of Campus Area!

Convenience & Care

Our on-site dialysis service provides home hemodialysis treatment within the comfort of our community. Home Advantage Dialysis offers gentler treatment that is more frequent and shorter in length than traditional hemodialysis. This service allows our patients more flexible scheduling and control in their treatment. Our on-site dialysis program will give you the opportunity to enjoy all that is available to you within our community while receiving the quality treatment you deserve. Each dialysis treatment is fully coordinated with the dialysis team, the medical team, and you to ensure the best quality of care. Home Advantage Dialysis offers a variety of dialysis treatment options; each patient can select the treatment modality that works best for his or her lifestyle and medical needs.
